

Personnel Testing Council of Northern California

PTC/NC welcomes anyone interested in membership and is committed to providing its members with a valuable forum in which to expand their professional expertise.

Benefits of membership include:

- Full-day and half-day training forums focusing on current issues, trends, research techniques, and legal considerations in the field of assessment that alternate between the Bay Area and Sacramento.
- Networking, information sharing, and problem solving opportunities with other HR professionals.
- Opportunities for participation on various committees (e.g., training forum planning, membership outreach, website, newsletter).
- Access to our annual membership directory.
- E-mail notification of job announcements and examinations for testing professionals in California.
- E-mail notifications of special events and training sessions given by other testing professional organizations.
- E-mail notifications of PTC/NC events and training forum topics.
- Discounted luncheon and membership costs for full-time students.
- Emeritus membership for retired HR professionals.
